

LEARNING TO LEAD

GiantStep is a unique initiative in Soft Skills training in India, having the singular motto of creating more leaders out of common folks. Our training is a celebration of individual mistakes and pitfalls, leading to self discovery and self-belief. We are a catalyst in enabling the unemployed youth to be the skill-force of the country and enriching the corporate minds with attitude, values, ethics and professionalism.

We have worked with the premier Educational Institutes and the Corporate both in India and Overseas. Our team has Corporate Trainers, Accredited Speakers and Eminent Educationists, having vast industry experience and global exposure.

Chief Mentor with the Legend

GiantStep is the brain child of **Braj Kishor Gupta**, the Chief Mentor, who is India's 'Motivation Guru' and a 'Youth Icon'. He is a leading Keynote Speaker, a Thought Leader, a Columnist and a seasoned Corporate Trainer, widely respected for igniting young and professional minds.

In the words of India's Distinguished Scientist **Dr. Satish Kumar**, 'Mr. Gupta's workshop is an Experience of Life-time'.

Testimonials

"The workshop on the topic 'Team Synergy and Bonding' for the top Scientists of DRDO and senior Defence Officers was highly interactive and insightful, having many witty anecdotes and personal stories. In view of the huge impact the workshop made on the minds and hearts of the participants, I am pleased to recommend Mr. Braj Kishor Gupta and his team to all good organisations".

Col. Bishwajeet Choubey
Senior Scientist, DRDO

"Braj Gupta is a great example of someone who invests in the lives of others and the future of his country. Keep up the great work".
